Dear [Redacted]

STAT

As you know, I recently approved some modifications in Science and Technology Advisory Panel procedures. Among the changes was the introduction of a four-year term for members. I realize that you have been with the Panel in excess of that period, but I should like to have you extend your membership for another four years. STAP is currently examining certain issues in which your experience should prove particularly valuable, and the Panel will be more effective if you remain on board. You have always provided sound advice and comments, and I want to continue to draw on your expertise.

Sincerely,

  
William J. Casey

Dear [Redacted Name]

As you know, I recently approved some modifications in Science and Technology Advisory Panel procedures. Among the changes was the establishment of a four-year term for members. I know that you have served on the Panel in excess of that period, but I should like to have you stay on for another four-year term. STAP is currently addressing some vital areas in which your experience will prove especially useful, and I should like to be able to count on your continuing contribution. Your advice and observations have been particularly valuable in the past, and I look forward to continuing to work with you.

Sincerely,

*Bill Casey*

SUBJECT: Extension of Science and Technology Advisory Panel  
(STAP) Members

1. Action Requested: That you sign the attached letters requesting  
[redacted] to continue as members of the  
Science and Technology Advisory Panel.

STAT

2. Background: You recently approved some modifications in STAP  
procedures. Among the changes was the establishment of a guideline that  
members should be expected to resign after a four-year period, unless you  
specifically request that they continue. Of members affected by this  
consideration, one has recently submitted his resignation. [redacted]
